

Hands on experience of life through activities and bonding with nature

On the early morning of 3rd October 2019, a group of 173 students of class XI & XII of DDMS P OBULREDDY PUBLIC SCHOOL, JUBILEE HILLS, HYDERABAD commenced a 4 day trip to **Dhanaulti (Adventure Camp), Mussoorie, IMA in Dehradun and The Forest Research Institute**

With the rare opportunity to bond with their friends while indulging in activities and having a hands on experience of adventure and interactions with nature, the learning seemed to have taken place. *'What is this life if we have no time to stand and stare...'* the poet had rightly articulated the need to unwind and find solace in lap of nature.
