Attendee: N.Aruna -Preprimary

Venue: British Council, Jubilee Hills Hyderabad

Resource Person

Vergine began to work on the craft of telling traditional tales 28 years ago. After studying drama, she is interested in communication through performance, enabling others to tell their stories, and in developing work for different audiences. Vergine has performed shows developed from traditional tales and epics in a variety of settings. Art centers to village halls to festivals. In recent years she has been working in school as a creative partner helping staff and pupils discover the richness of sharing stories.

Objectives of the session

- Understanding what oral story telling is
- Learn tips and techniques for effective story telling in different contexts from performance to education and to everyday life.
- Be inspired to share stories with others.

The session was fulfilled with above objectives and inspired to share stories with others with participative approach and ended with brain storming session.
