

ORIENTATION FOR THE NEW STAKE HOLDERS

DDMS P.Obul Reddy Public school values the earnestness and expectations of the stake holders of the school. In connection with this, an orientation for the parents and students of class XI was conducted on 15th May, 2019 to create positive relationship which will lead to a healthy teaching learning atmosphere in the class room. Furthermore, this is a fantastic opportunity for parents to know what to expect in the coming year and also equip themselves for it.

In her address, The Principal, Mrs Latha Shankar assured the parents of the best learning atmosphere for their wards. The target is to take the school's performance to the next level academically and other wise. She expressed her confidence in the skills of the faculty members to achieve this target. She called for the parents to support their wards to participate in co-curricular activities to promote holistic development which is an essential factor to successful career. The Vice Principal, Mrs. Vinitha Anil acquainted them with the school norms, CBSE directives and facilities the school is providing with regards to offering services of various agencies in the school to help them qualify competitive examinations like JEE, NEET, SAT, CLAT, IELTS etc. She also introduced the team of counselors in school who would help students to cope up with their day to day stress related issues and a team of trained career counselors who would guide them with various options available for them to pursue their career nationally and internationally.

The orientation program was attended by parents with lot of interest and keenness. The event concluded with the Vice Principal proposing vote of thanks.
