

DDMS (AMS) P. OBUL REDDY PUBLIC SCHOOL

A VISIT TO THE NATIONAL ACADEMY of AGRICULTURAL RESEARCH MANAGEMENT

On 23rd December 2019, the students of Class 11 C visited The National Academy of Agricultural Research Management (NAARM), National Academy of Sciences, India (NASI).

Students had the opportunity to interact with authentic farmers of Hyderabad and also had a separate interactive session with other eminent scientists not only from the field of agriculture but also Physics and Biotechnology.

This was a part of an annual programme called the Children's Science Meet. The session introduced us to two local farmers: Mr. Veera Reddy and Hari Babu Garu. They gave an insight into the use of technology and scientific methods to increase yield . They spoke on the importance of farming and the need of young farmers in our country. They motivated and inspired students to take up Agriculture sciences as their field of study. Students also attended a session on Neurology and brain disorders.
