

Investiture Ceremony - 2019

It had been a momentous day at DDMS (AMS) P.Obul Reddy Public School on 5 July 2019, when the newly elected members of the Student Council were sworn in to their respective portfolios through a formal Investiture Ceremony. The event took place in the presence of dignitaries, which included the members of the school management and proud parents of the elected students.

The ceremonious swearing in event was a very coveted occasion for the students. They had to go through a rigorous process of nomination, fairly conducted elections and an interview designed to test their resilience and capability. The event began with the formal welcoming of the Chief

Guest, Shri. Rakesh Kumar Paliwal, Principal Director, Income Tax, through the Guard of Honour, escorted by Shri. S.V.Rao, Chairman of the school, Shri.E.Narasimha Rao, Secretary of the school and Principal Mrs. Latha Shankar.

The Principal, in her address, said that it's a long journey of leadership and the office bearers should uphold the rich tradition of the school by rendering their duties effectively. She concluded her speech with a motivational quote by Winston Churchill-**"Success is not final, failure is not fatal: it is the courage to continue that counts."**

The Secretary of the school, Shri. Narasimha Rao, advised the students to absorb the good and reject the bad. He appealed to the students to be kind and helpful to the underprivileged. The Chairman, Shri. S.V.Rao urged them to be more responsible and perform their duties with utmost sincerity, so that they set an example for others.

The Chief Guest then gave away badges to the members elected, followed by an oath taking ceremony. Led by the newly elected Head Boy and Head Girl, the team of Deputy Head Boy, Deputy Head Girl, Sports Captain, Cultural Captains, House Captains, House Vice-Captains and Prefects took the oath of shouldering the responsibility vested on them with commitment and striving to

hold the honour of the school with loyalty and integrity. The Chief Guest urged the students to start the day with a prayer and imbibe good qualities from parents, teachers, nature and all those who inspire them. He further said that we can make our life meaningful by going beyond the academic realm and exploring life in its full depth and

glory. The event also included a song rendered by the school choir on commitment and patriotism.

It was a proud moment for the parents too as they sat witness to their wards standing tall - ready to take up new challenges and gearing up to be the torch bearers for taking the institution to the pinnacle of success.
