

Camp Report

BHARAT SCOUTS and GUIDES - PORPS

An overnight camp was organized for the Scouts and Guides of classes 6 to 9 at our school premises on 25th January 2020.

Forty Scouts and Thirty-nine Guides gathered in the school campus at 8:30 a.m on 25th January, Saturday. The sessions for the day began with the prayer song and hoisting the Scouts and Guides Flag.

Morning session comprised of First Aid & CPR lectures followed by Pioneering.

Dr.Rajitha , MD Gynaecologist working in JJ Hospital and Asst Professor at Apex Medical College along with Dr,Chandrashekar , Clinical Pharmacologist and Quality Manager educated the students on the principles of first aid and initial response (arriving and managing an incident), management of an unconscious casualty (child or adult), CPR, including technique for children. It was an insightful session of almost 2 hours.

Building any good camp gadget requires at least some basic skills in Campcraft, e.g. proper use of wood tools, tying basic knots and simple lashings. Referred to as "campsite improvements", a good camp gadget should be durable, aesthetically pleasing, and serve a purpose. Post lunch, the Scouts and Guides learnt knots and lashings and built innovative gadgets. They also learnt how to pitch a tent.

The heavy sessions were followed by a Treasure Hunt. The trail was outside the school campus where the children unearthed the hidden messages , eventually leading to the final treasure.

After the evening snacks , they were asked to change to their casual wear and prepare for the night's campfire.

The Campfire was declared open by our honourable Chairman Sri S.V.Rao and graced by our respected Principal Smt.Lata Shankar, beloved Vice Principal Smt.Nagaveena, dear headmistress of Pre-Primary Smt.Vijayalaksmi and some of our caring teachers. Messengers from four cardinals brought the messages of Peace, Harmony, Wisdom and Humility. Children showcased their talent in dance, drama and music. It was a funfilled evening that closed at around 8:30 p.m.

After a sumptuous dinner, everyone hit the sack at 10:30 p.m

Everyone was up and awake at 4:30 a.m the next morning for the B.P.Six exercise.

All the scouts and guides along with the escort teachers went on a Nature walk towards Yousufguda Police Line Tssp 1st Batallion . The sight of nature, beautiful peacocks and Kingfisher birds was a refreshing sight.

Back in campus at 8:00 a.m , all the children got themselves neatly dressed in their uniforms ready for the Flag hoisting ceremony as it was the Republic Day. The flag was hoisted by PORPS Chairman Sri S.V.Rao along with Secretary Sri Narasimha Rao, Principal and Vice Principals. The Physical Education department and the Office staff were also present at the ceremony.

Scout Abhiram Chandra gave the camp report. Daffodil Patrol won the 'Best Patrol' award and Scout Lalith Nandan of Grade 9 was awarded the 'Best Scout' award.

All is well that ends well. We closed the camp session at 10:30 a.m after a quick Swatchatha Abhiyaan in the campus.

We owe the success of this camp to our Principal Smt.Lata Shankar and to our Vice Principal (Secondary) Smt. Nagaveena Reddy .

"Service is giving up your own pleasure or convenience to lend a hand to others who need it"
