

SUMMER ART FEST -2021

- O P Jindal Global University

Few of our students participated enthusiastically in the 3 Day, Summer Art Fest-2021 organized by OP Jindal University from 17th May to 19th May, 2021.

This is focussed mainly how to integrate Art and develop Visual Thinking in the learning process.

It was a productive session which threw light on implementing visual thinking methodology and creating Stop Motion Videos.

A few glimpses of the session
