MY EXPERIENCE IN IPN YUVA CONCLAVE

I am Soham Bilolikar of VII E studying at DDMS P. Obul Reddy Public School. IPN YUVA Conclave 2021 gave me an opportunity to speak on Sustainable Development Goals. It was a great experience to prepare myself on the panel to speak as it was my first such opportunity. The platform that IPN YUVA foundation provided to many students including me, across South Asia , to discuss on various aspects of daily ways to implement SDGs, was really wonderful. I learned by interacting with many participants and listening to various speakers. It was an incredible experience to learn on SDGs. I must thank IPN YUVA Foundation, my school, our Principal Mrs Latha Shankar, all my teachers and my parents for their support and encouragement for this event.
