

## VIRTUAL TOUR : CLASS XI (2021 – 2022)

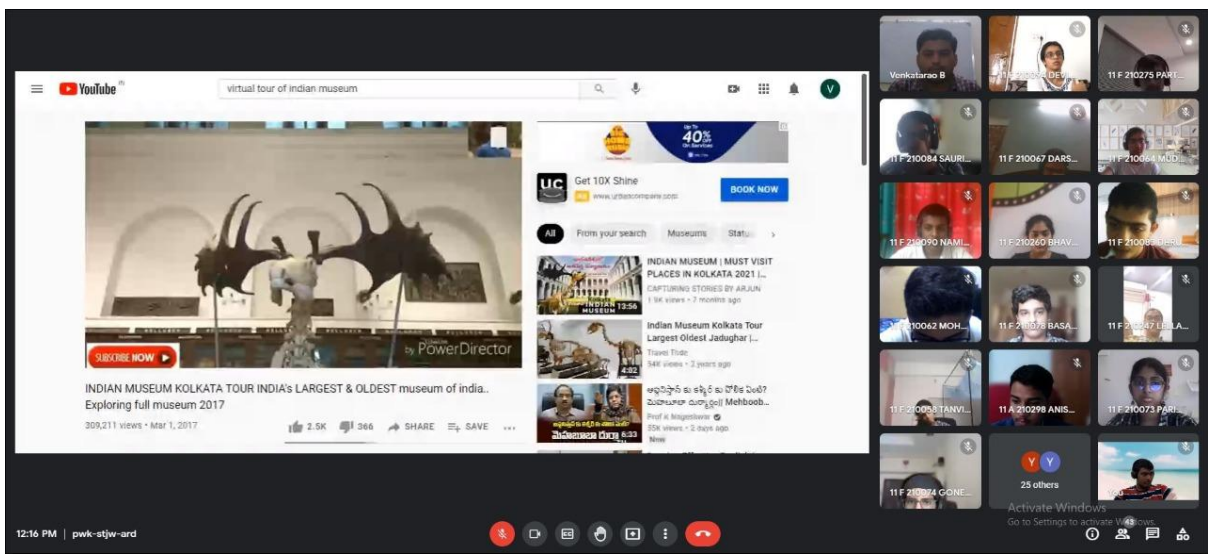

### INDIAN MUSEUMS IN INDIA (KOLKATA & DELHI)

Life in the times of Corona virus means a halt on travel. However a virtual trip to a museum can spark intense student interest as well as nurture thinking skills. We all know trips and tours are important for interactive and new learning, social interaction and exposure.

So, to eradicate boredom and enhance knowledge while comfortably sitting at home, we organised a virtual tour on The Indian Museum, Kolkata and Delhi on 25/08/2021 during 3<sup>rd</sup> & 4<sup>th</sup> period, to facilitate students to have a 360- degree view of the famous Indian Museum, Kolkata and Delhi by simply clicking and moving the mouse and cursor.

Google's Street View feature allowed the students to see the incredible works of art from the Contemporary era. More than Five Hundred artefacts on Arts and Culture collection enhanced their knowledge about Art, History and Science. They visited different galleries in the museum like Energy Hall, Tomorrow's world, Mathematics. Students explored how our history transformed over the period.
