November 14 is a significant date for children in India. The birth anniversary of our first Prime Minister, Jawaharlal Nehru, is celebrated across the country as Children's Day every year.

The teachers of DDMS P. Obul Reddy Public School came together to celebrate this day on the 13th of November in the school premises. The students were happy to be back at school and enthusiastically waited for the events to unfold.

Principal, Mrs Latha Shankar extended warm greetings of the day to all the children. The students were treated with an hour-long cultural programme by the teachers which included dance performances, skit and rendition of songs. The programme concluded with a vote of thanks proposed by the Vice Principal, Mrs Vinitha Anil.
