

DDMS P. OBUL REDDY PUBLIC SCHOOL

Stay Qrious - A session on Roblox

P. Obul Reddy Public School organized a session on "How to script a game on ROBLOX" for students of classes 4th to 9th on the 29th of November 2021. The session was conducted by Aanand Srinivas, Founder CEO of Stay Qrious. He is a well know teacher on BYJUS app. He is an active youtuber too.

Roblox was created by David Baszucki and Erik Cassel in 2004. Roblox is not just a game, it is a place where people play games made by other developers. The fun doesn't just come from playing games, it also comes from making games. Roblox is different from anything else in the game industry because all the games are made by its users.

Some of our students already know the game while the others who didn't were very enthusiastic to learn about the game and had an interactive session learning lots of new aspects of designing programmes.
