

Pre-Primary Sankranti Celebrations

Pre-Primary children of DDMS P. Obul Reddy Public School celebrated **makara Sankranti** virtually with great joy and enthusiasm on 7th January 2022. Children came dressed in their traditional attire and few as Haridasu. The festival of kites, sweets and traditions was introduced to children with the help of videos, songs, drawings and craft. This helped the children understand why and how the festival is celebrated, the importance of the harvest festival and also helped to inculcate moral values and respect for nature.
