## DDMS (AMS) P. OBUL REDDY PUBLIC SCHOOL

## SCIENCE WEEK 2022

"Science is a way of life. Science is a perspective. Science is the process that takes us from confusion to understanding in a manner that's precise, predictive and reliable – a transformation for those lucky enough to experiment it, that is empowering and emotional."

- Brian Greene

DDMS P. Obul Reddy Public School celebrated the Science Week from the 17<sup>th</sup> of January 2022 to 22<sup>nd</sup> January 2022 with great enthusiasm and zeal. Under the guidance and motivation of the Science department, students from all classes participated by conducting various experiments and demonstrating them in the form of videos.

Several activities and special assemblies were conducted throughout the week not only to inculcate scientific attitude but also to create interest in Science. A science quiz was conducted for the students of classes VI -VIII which saw a very active participation by the students. The entire week was about student engagement through simple activities and competitions which encouraged them to talk about science and engaged them in healthy scientific discussions.
