

# Christmas Celebrations

Pre Primary children of DDMS P.Obul Reddy Public School celebrated Christmas on 24.12.2020 with great fun and frolic. Some students dressed up as Santa Claus and distributed gifts virtually. Students and teachers were also dressed in red and white attire. The significance of this festival was explained to the students. The children

enjoyed grooving to the beats of “Christmas Carols” and wished Merry Christmas to their friends and teachers. They virtually shared snacks with friends and enjoyed the day.
