Date: 13th July '22 **Guru Purnima celebrations**

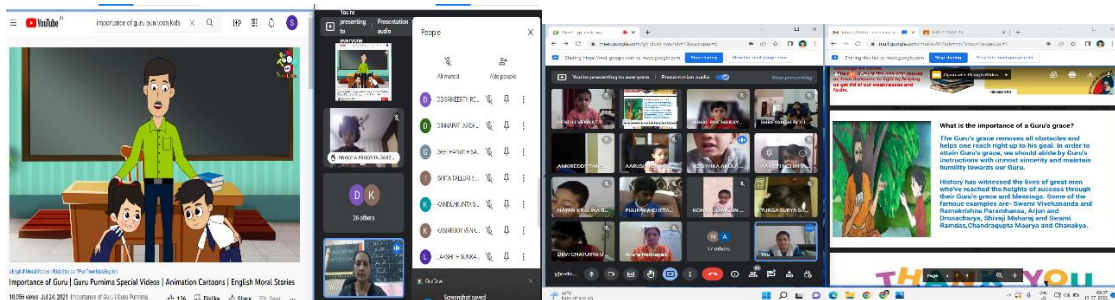

“Education is the most powerful weapon you can use to change the world.”

The teacher imparts education; hence the role of the teacher is of paramount importance both to the present and the future of a student.

Guru Purnima was celebrated in the Pre Primary wing on 13th July 2022. Students were explained the meaning and significance of this day. Teachers showed children Power point presentation and a beautiful video.

This Guru Purnima, reflects in life and honor the wisdom that life has offered. It is a day to be grateful. When we see how wisdom has transformed our life, you feel grateful for all that has come our way. Celebrating this feeling of gratitude is Guru Purnima.

Teachers also explained how one should worship one's GURU and show gratitude and taught them that Parents are their first GURU because they teach us so many new things and we get to learn new things every day from siblings, grandparents and friends.

So, on this day we thank all our GURUS.
