## NO BAGS DAY – JULY 2022

In order to integrate curricular and co-curricular activities, thus enabling effective learning, DDMS P.Obul Reddy Public School observed a NO BAG DAY through the last week of July 2022 for classes Kindergarten to X. The initiative also adheres with the aims and objectives of the New Education Policy of 2020 which encourages practical learning coupled with discovery based understanding and enhancing creativity among learners.

Activities to make the day productive were planned well in advance under the guidance of the Principal, Ms Rekha Rao. The day's curriculum was designed in such a way that it was in continuation of the flow of the ongoing lessons, a revision of the earlier concepts and a challenge with something that requires higher order thinking. Quizzes, J.A.M sessions, Extempore, Vocabulary tests, Music games, Craft activities Aptitude tests, Poster making etc., were conducted during the day that followed the regular time table.

Students were seen sharing their excitement with their peers and expressed their happiness on the day that provided a different learning experience. Some even claimed of better understanding of a few topics through the activities they did. The students left school with anticipation of more such days of activity based learning.
