

REPORT ON FIELD VISIT TO SUDHA CARS MUSEUM

The students of class VIII were taken to **SUDHA CARS MUSEUM** on 23rd August 2022.

Sudha cars museum is a unique museum, where every automobile is made using scrap from junkyard. It has cars in variety of shapes and sizes that resembles everyday objects. These cars are handmade by his founder Mr. K Sudhakar Yadav. There are cars and bikes which were made to create awareness such as condom bike, coronavirus car etc.

This museum influences people of all age groups to take up a hobby and inspires students' minds to come up with creative ideas and help them identify their area of interest.
