

DDMS P.OBUL REDDY PUBLIC SCHOOL

CLASS X EDUCATIONAL TOUR

NATIONAL INVESTIGATION AGENCY

Education is a natural process carried out by the child through experiences from all around. We, at DDMS P.Obul Reddy Public School, aim at opening all avenues of learning for our students and have been providing experiential learning opportunities to the learners.

In this context, an educational tour to the Hyderabad branch was conducted for the class X students. It was a once in a life time experience for the students in view of the tight security at the centre. The 200 odd students were taken in two batches spread over two days, on the 10th and 11th August 2022. The visit gave an insight about how

the agency investigates scheduled offences such as human trafficking, circulation of fake currency, manufacture and sale of prohibited arms, cyber-terrorism etc. The students explored the campus and were sensitized with the different departments and their working procedure. The students had the privilege of interacting with senior officers of the agency through the tour which deepened their learning and

cleared several apprehensions they had on the subject. The visit was indeed an eye opener for the students who were in awe of the functioning of the agency.

All the students had to answer a questionnaire and also write an essay about their experience at the end of the tour. The best scorers in the assignment were **Vempati Lakshitha and Kruthika Reddy of XB**, who were both given mementos at the Agency on the 15 August 2022.

The students were excited way beyond expectation and their beaming faces were proof to the objective of experiential learning being achieved.
