

## GANDIKOTA ADVENTURE TRIP

To see, try, listen, feel and devour beauty

The school organised a two night- three day adventure trip to Gandikota for the students of Grades IX to XII during the first term break. The tour came as a welcome break from the hectic academic schedule and also the fact that the pandemic had put all such exciting opportunities in abeyance.

Around 160 students were taken on the tour in two batches of 80 each- The first from 24<sup>th</sup> September to 26<sup>th</sup> September and the second from 28<sup>th</sup> September to 30<sup>th</sup> September . The students were accompanied on the tour by five teachers in each batch. Principal, Ms Rekha Rao, herself accompanied the first batch of students. What is more, she even led from the front in the adventure activities of the tour. Students, along with the pleasure they derived out of trekking, parachuting and camping in tents at night, were pleased to interact in close quarters with the teachers and the Principal.

The second batch saw Ms Nagaveena, Vice Principal (High School), accompanying the students along with four other teachers. This set too had the pleasure of experiencing the adventure in store for them.

Students captured the wonderful moments not just in cameras but also in their memories that they think will be some of their best moments in life.
