

CLASS X VISITS THE AVIATION ACADEMY

Students of Class X were taken on a field trip to TS Aviation Academy , Begumpet Airport, New Bowenpally, Secunderabad on 7th November,2022.

The students were introduced to Aerodynamics, its history and ‘Science beyond flying’ through a session and a workshop on “Understanding Engine and Various Parts of a Flight” was conducted in the campus. They had an opportunity to

visit labs
and

understand the Air Craft Maintenance and its functionality as well.

The trip created an understanding about the science of flight, application of the theories they learn and to plan and pursue a career related to aerodynamics and technologies related to it. It was indeed a once in a life time experience for the students.
