

CELEBRATING THE SPIRIT OF SPORTS AND SPORTSMANSHIP

The Kindergarten wing of the school came into action on 19 November 2022, when they celebrated the Annual Sports Day. The event carried the fervour of being an avenue for the tiny tots to showcase their immense talents while making way for their future dreams. The Chief Guests on the occasion were Sri S V Rao, Chairman, DDMS P.Obul Reddy Educational Academy, and Sri E. Narasimha Rao, Honorary Secretary, DDMS P.Obul Reddy Public school. Ms Rekha Rao, Principal, DDMS P.Obul Reddy Public School presided over the event. The event began with the ceremonious lighting of the torch followed by the release of the tricolour balloons, spreading the message that sports is the essence of life. This was followed by an array of drills by the little ones that left the audience enthralled and mesmerised. A few racing events were conducted for both the students and the parents wherein both the entities showed great enthusiasm. The winners of the events were given away medals and certificates by the dignitaries. The event concluded with the Declaration of the closure of the sports meet.

The event requires a special mention of the efforts put in by the Pre-Primary mentors who worked relentlessly in the heat and train the tiny tots for the display under the guidance of Ms Vijaya Durga, Head Mistress, Pre-Primary. The service extended by the NCC cadets and the Scouts and Guides of the school to ensure the smooth flow of events and the safety of the tiny tots also require a special mention.
