

SIX SIGMA FEST & ANNUAL CLUB DISPLAY

The "Six Sigma Fest" (XI & XII) & Annual club display (VI –IX) is aimed to foster entrepreneurial spirit and innovation among students, providing a platform for them to showcase their talents and ideas. The event not only achieved its objective but also emerged as a grand success, generating commendable revenue.

In line with our commitment to social responsibility, as decided earlier the organizing team contributed profits to the disabled students of our own unit of Andhra Mahila Sabha on 5 th February 2024. This decision reflects our collective dedication to making a positive impact on the community and aligns with the values instilled in students by P. Obul Reddy Public School.

We believe that such initiatives not only enrich the lives of those in needs but also instill a sense of empathy and responsibility among the students, fostering a holistic development approach.

Once again, we express our gratitude for your continuous support and encouragement. We look forward to future collaborations and endeavors that promote learning, innovation, and community service.
