UKG – GRADUATION DAY CELEBRATIONS (2023-24)

The most awaited event of the year of Pre primary **‘Kindergarten Graduation Day’** was held on Saturday, 16th March’24 at our school auditorium. With the unwavering support and guidance of our Principal, Mrs. Vinitha Anil and our Pre primary Head Mistress Mrs. Vijayadurga, we were able to put forth a successful show. It was an eventful day of celebrating the young Kindergarteners’ success and achievement of a milestone in their lives. The day was filled with enthusiasm and enthralling performances by the UKG students from being MOCs and Orators to singers and dancers. The traditional ‘Graduation walk’ was the highlight of the ceremony. The students dressed in their tiny caps and gowns, walked across the stage to receive their kindergarten certificates, sash and mementos. It was a wonderful photo opportunity and an unforgettable moment for both children and Parents.

Photo booths which were decorated with cute backdrops and props were also another highlight for clicking of those unforgettable graduation photos. These pictures will be treasured for years to come!

Let the Graduation caps fly high and may the smiles and laughter be plentiful on this special day!

**“CONGRATULATIONS TO OUR LITTLE GRADUATES!
GO AHEAD AND WIN OVER THE WORLD!”**
