

GRATITUDE DAY

The sub-staff of our school foster positive and trusting relationships with the students, ensuring a safe and supportive environment. As a noble gesture to recognize their hard work, Gratitude Day was celebrated at school on 10th of November 2023. The event was an initiative planned by the student council members and the students of classes X, XI and XII. As a token of appreciation and gratitude, special gifts, curated by students, were given to all the sub-staff members. The beaming faces of the sub-staff were worth every effort put in by our students.
