

## FATHER'S DAY CELEBRATIONS

DATE: 17<sup>TH</sup> JUNE 2022

Everybody wants a superhero in their life. But the real and first superhero in the life of a child is their father. The tiny tots of the Pre-Primary at DDMS P. Obul Reddy Public School celebrated Father's Day in their classrooms with great enthusiasm. They spoke about their fathers and also shared 'what made their fathers special'. Kids enjoyed crafting paper ties and shirts to gift their fathers.
