LKG PARENT ORIENTATION

Time: 9:30 to 10:30am

Every new academic year holds new challenges, new avenues to explore and new opportunities to learn.

Parent Orientation for the Kindergarten was conducted with a view to involve the parents in the initial years of their ward's learning and would mould their lives towards a bright future.

The orientation program was organized on 18th June 2022 to welcome Parents, give insights to them about the academic curriculum and teaching methodology.

Ms. Vijaya Durga, Head Mistress, Pre Primary, briefed the audience on the co-scholastic and **enrichment** activities that promote **holistic development** of the child, explained the rules and regulations of the school. This was followed by the formal induction of the talented and enthusiastic teachers of the kindergarten.

The program commenced with an address by the Principal Ms.Rekha Rao. She highlighted the '**role of Parents**' in shaping their children and on the areas of '**Multiple intelligence**'.

It was further enunciated by our school counselor Ms.Bhagyashree who briefed about **School Readiness** and **developmental stages** in daily application in the initial years of children's growth. She shared few tips about **good Parenting** and emphasized on **spending quality time** with their children to unfold the potential and support them to reach their highest caliber.

Parents were also briefed about **Xseed curriculum** by our Xseed Coordinator Ms.N Aru na.

The event concluded with parents getting to know the teaching staff and familiarizing themselves with the system and thereby allaying any concern regarding their child's schooling.

This Initial reference gave them more clarity as they embark on this New Journey. This certainly is a head start to a new beginning of learning and knowing together!!!

So, rev up the engines, gear up and together let's make the academic year

2022-23 a successful one.
