

WORKSHOP -'JAL DOOT' PROGRAM UNDER JAL SHAKTI ABHIYAN: CATCH THE RAIN CAMPAIGN

A workshop was conducted on 22nd April, 2024 for classes 6th to 9th in four sessions on the Awareness programme on Water Conservation, Water Reuse and Water cycle by Dr.Swetha Parsha, Dr. Madhuri and Mr. Prabhu Saluja from Dr. Reddy's labs.

The session was very informative and interesting. The guest speakers involved the students by asking them questions time and again. The program aimed at creating Student ambassadors for Safe drinking water, water quality and water conservation.

The students actively participated in the quiz conducted by the speakers, won prizes and gained knowledge about water conservation.
