

OPTIMIZING THE ESSENTIALS FOR SKILL DEVELOPMENT

Topic of the session: Optimizing the Essentials for Skill Development.

Grade: IXth (All sections).

Date: 22nd June 2024, Saturday.

Venue: High School Auditorium.

Resource team for the session: Dept. of Psychology.

Objectives of the session:

It aimed to emphasize the significance of skill development by focusing on the importance of time management and organization skills, through situation based scenarios. Students worked in groups, presenting their solutions. Thereby creating a conducive environment on the understanding of different perspectives and recognizing the unique contributions of each team member. Handouts were provided for personal use to reinforce the skills discussed.
