

DDMS P. OBULREDDY PUBLIC SCHOOL  
PRE -PRIMARY SPECIAL ASSEMBLY  
DOCTOR'D DAY 01/07/24 (Monday)

*“A GOOD DOCTOR knows your needs, and handles them with compassion and skill.”*

National doctor's day is celebrated every year on 1<sup>st</sup> July. It is day to appreciate and recognise the contribution and hard work of the medical fraternity throughout the world.

On 1<sup>st</sup> July 2024, Pre-Primary children have witnessed a special assembly in the school auditorium. Dr. Anand Toshniwal, Dermatologist Running his own clinic 'Aesthetic Aura skin and hair clinic', Parent of Ayaansh Toshniwal, has enlightened the children on how to take care of their health and gave valuable tips through interaction with children. The Children listened with great interest and also came up with queries. After the interaction children have presented a thank you card prepared by them.

Few children have dressed up as future doctors to express their enthusiasm.

Dr. Anand Toshniwal has shared his views about the event and appreciated the way the event was organised and complemented the children.

Principal Ms. K. Vinitha addressed the gathering and presented a sapling.

Program ended with vote of thanks proposed by Pre-Primary Head mistress Ms. Vijaya Durga.

Few parents from UKG A have witnessed the event and gave their feedback.

## SPECIAL ASSEMBLY “DOCTOR’S DAY”-PRIMARY

On 1<sup>st</sup> July,2024, the students of DDMS P. Obul Reddy Public School, celebrated “National Doctor’s Day” with great enthusiasm and compassion as this day serves as a reminder of the selfless service and dedication of medical professionals who work tirelessly to ensure the health and well-being of the nation. The invitee of the day, Dr.Prithivi Perum, a senior specialist in Obstetrics and Gynaecology was welcomed by the Principal, Ms.K.Vinitha with a sapling and was introduced by one of the Primary faculty member. She interacted with the students about why we celebrate Doctor’s Day and the importance of doctors. She enlightened the students about maintaining good health, hygiene, good touch and bad touch and proper food habits. Principal, Ms.K.Vinitha and Primary Headmistress,Ms.K C Srivani addressed the students on the occasion of Doctor’s Day.
