

SESSION ON CAREER GUIDANCE-CLASS X

A session on Career Guidance was conducted for students of Class X on 19th April, 2024 in the school auditorium. The Resource Persons-Dr. Swati Agarwal, Career Counselor and Dr. Neha Agarwal, Career Coach from Gargi Knowledge Solutions, gave students an insight on how they can plan and execute their higher education and choose their career path. Students could relate to the session and took an utmost advantage by asking questions on how they can identify their interests and strengths, and get clarity about their goals in making a successful career. All in all, the session was informative and productive.
