

SPECIAL ASSEMBLY – SESSION ON GLOBAL WARMING

Special Assembly was conducted on the 3rd April 2025 in the school auditorium of DDMS P. Obul Reddy Public School to create awareness on Global Warming. Students of Grades 3 and 4 attended the session. It started with a conversation by one of the EVS faculties and Reyansh, student of grade 4 on the topic “Save Earth”. The student speaker, Arnav, grade 6 student of Indus International School, Hyderabad, shared insightful perspectives and alarming facts about the devastating impact of change of climate on our planet. He began by emphasizing the urgency of the situation, highlighting the rapid rise in global temperatures, extreme weather events and the role of human activities in contributing to global warming, such as deforestation, pollution and greenhouse emissions. The assembly concluded with a thought-provoking question and answer session, where the students participated actively by sharing their knowledge and inspired everyone to take action against global warming. The school Principal, Ms. K. Vinitha appreciated the student speaker and addressed the audience and shared her insightful thoughts on the pressing issue of global warming. The assembly was graced by Primary, headmistress, KC Srivani and the respective faculty members.
