Highlights of the Tour

- **Wildlife Safari Experience:**
The students embarked on thrilling safaris through the dense jungle in **open Gypsy vehicles**, offering a close-to-nature experience. Jungle safari began with spotting of Sambal deers, spotted deers and some birds. To everyone's amazement and excitement, we have spotted **five tigers** during our time in the reserve
- Among the majestic big cats, one was identified as a **tiger named Shambu**, and another memorable sighting was of the famous **tigress Collarwali**, accompanied by her **three adorable cubs**. Witnessing these magnificent creatures in their natural habitat left the students in awe — a mix of **wonder and a little nervous excitement** — making it an unforgettable moment.
- **Educational Orientation:**
Beyond the thrill of the jungle, the students attended an **orientation session** focused on the **birds and animals** of the Tadoba ecosystem. The session was both informative and interactive, enhancing their understanding of wildlife and conservation.
- **Fun & Learning Activities:**
To complement the learning experience, students participated in engaging activities such as **Dumb Charades**, where they acted out names of animals and birds, sparking laughter and teamwork.

A Cherished Experience

The tour to Tadoba was more than just a trip — it was a journey of discovery, adventure, and bonding with nature. The students returned with **fond memories, a deeper appreciation for wildlife**, and stories they will cherish for years to come.
