

CONSTITUTION DAY

Constitution Day, observed annually on 26 November, was celebrated with great enthusiasm at AMS P. Obul Reddy Public School. The observance aimed to educate students on the significance, necessity, and key provisions of the Indian Constitution through a series of thoughtfully curated activities.

The programme began with an introductory presentation prepared by the students, setting the tone for the day. This was followed by a solemn Republic March, during which students walked around the school campus while reciting powerful slogans that highlighted the core features of the Constitution. A compelling Nukkad Natak performed by students of Grades 8 to 12 further emphasised constitutional values and was staged in front of the Top Block and the main stage. The celebration concluded with interactive booths designed to help students engage with and experience the essence of the Constitution in a hands-on manner.

By the end of the day, students left the campus with a renewed sense of pride in being Indian citizens and a deeper understanding of the constitutional principles that guide the nation. The programme proved to be both enriching and impactful, reinforcing the importance of constitutional awareness among young learners.
