PRE PRIMARY SPORTS RACES

Pre-Primary sports races are an exciting way to encourage young children to engage in physical activity, develop their motor skills, and build teamwork and social skills. The children enthusiastically participated in various games such as relay races and ball games, as well as challenging courses with obstacles that tested their agility and problem-solving skills.

It was a great opportunity for children to present their talent through physical activity. Medals and certificates were given to the first, second and third place winners. Children have participated in relay races on 06/02/26; they were planned in such a way that maximum number of children can achieve the medals. All classes have planned different type of relay races with challenging tasks like balancing, hopping, passing through a hoop etc. a fun race where children hop or jump to reach the finish line. Children have put up their maximum effort to make their team win the race.

Races were judged by PE teachers Mr. Shafi, Ms. Swapna and Ms. Nagalakshmi.

Principal Ms. K Vinitha, Vice Principal and Headmistresses have presented the medals to the winners of different classes.
