

SILVER ZONE OLYMPIAD 2025-26

DDMS P. Obul Reddy Public School proudly hosted the **Silver Zone Olympiad** during the academic year **2025–26**, exclusively for pre-primary students. The collective effort ensured the flawless conduct of the event and reaffirmed the school's commitment to providing meaningful learning experiences that nurture confident, inquisitive, and well-rounded learners.

The Olympiad offered a delightful and enriching platform for young minds to explore their cognitive abilities, build confidence, and develop a natural curiosity for learning through enjoyable and age-appropriate activities.

Our young learners participated in the **English, Mathematics, and EVS** subjects with remarkable enthusiasm and eagerness. Their sincere efforts were recognized with **medals and certificates**, presented by our esteemed Principal, **Ms. K. Vinitha**, who appreciated the children for their cheerful involvement, active participation, and commendable performance.
