

CLASS XI PARENT ORIENTATION PROGRAMME

The school conducted an Orientation Programme for the parents of Class XI students on Saturday, March 29, 2026, with the objective of fostering a collaborative partnership between the institution and parents at the commencement of a crucial academic phase.

The programme commenced with a warm welcome by the Vice Principal, Ms Deepika, who greeted the gathering and set the tone for an informative and engaging session. Ms K. Vinitha, Principal subsequently addressed the parents, offering a comprehensive overview of the academic curriculum, disciplinary framework, co-curricular activities, competitive platforms, career guidance initiatives, transport facilities and the rules and regulations governing the school. Her address reflected the institution's commitment to holistic development and academic excellence. She also introduced the Heads of Departments, highlighting their roles in mentoring and guiding students.

The Heads of Departments of various subjects further elaborated on the curriculum structure, assessment patterns, and subject-specific expectations, thereby equipping parents with a clear understanding of the academic roadmap for the year. The programme culminated in an interactive session, wherein parents actively engaged with the school leadership, seeking clarifications and sharing their perspectives, making the session both meaningful and productive.
