

LEARNING BLOSSOMS IN NATURE: DDMS (AMS) P. OBUL REDDY PRE-PRIMARY STUDENTS EXPLORE HERBAL PARK

Learning came alive beyond the four walls of the classroom as the Pre-Primary students of **DDMS (AMS) P. Obul Reddy Public School** embarked on an exciting educational field trip to the **Herbal Park, Jubilee Hills Road No. 10**.

The young learners immersed themselves in the beauty of nature, exploring a rich variety of trees, medicinal plants, birds, and insects in their natural surroundings. The visit offered a unique opportunity to observe, discover, and appreciate the wonders of the environment through firsthand experiences.

The excitement continued with engaging outdoor activities, including hopscotch and a fun-filled maze, which added an element of adventure and joy to the learning experience. Their enthusiastic participation, infectious smiles, and boundless curiosity reflected the true spirit of experiential learning.

The field trip proved to be both educational and enjoyable, fostering environmental awareness, observation skills, and a deeper appreciation for nature. It was a memorable day that reinforced the belief that some of life's most meaningful lessons are learnt beyond the pages of a textbook.
