

NURSERY AND LKG PURPLE DAY SPECIAL ASSEMBLY

The Pre-Primary students of AMS P. Obul Reddy Public School celebrated **Purple Day on 14 August 2026** with great excitement and joy. The children came dressed in beautiful purple outfits and enjoyed fun games, play-way activities, and an action song about the colour purple. The classrooms were decorated with **purple-coloured objects** such as flowers, fruits, vegetables, toys, and other items. The children enjoyed looking at and identifying the different purple objects around them. The children also learned how **purple colour is made by mixing red and blue colours**. They enjoyed this simple colour-mixing activity and were excited to see the new colour appear.

The celebration helped the children learn about colours in a fun and interesting way. It also encouraged creativity, observation, participation, and teamwork.

Purple Day was a joyful and colourful learning experience for all the children.
