

**Title of the Session:**Creating Safe Zones: Awareness on Substance Abuse

**Grade:** IX and X (all sections)

**Date:** 8th April'26

**Venue:** High School Auditorium

**Resource Person of the Session:** Mr.P. Srinivas Rao, Inspector of Police Telangana State Anti-Narcotics Bureau (EAGLE Force)

**About the Session:**

A substance abuse awareness session was conducted in the school with the aim of educating students about the harmful effects of drug use and promoting a healthy, responsible lifestyle. The session, led by Mr. P. Srinivas Rao from the Telangana State Anti-Narcotics Bureau (EAGLE Force), focused on creating awareness about the risks, legal consequences, and long-

term impact of substance abuse. The objectives were to help students make informed choices, resist peer pressure, and understand the importance of safety and well-being. Students were encouraged to be proactive and were informed that if they come across any such concerns in their vicinity, they can reach out to the authorities. The session was interactive, with students actively participating in oral questioning and sharing their perspectives. They were appreciated for their involvement and awarded certificates. The key takeaway was the importance of saying no to drugs and contributing towards a safe and drug-free society.
