

WORLD HERITAGE DAY CELEBRATIONS – PRIMARY WING

The Primary Wing of AMS P. Obul Reddy Public School commemorated **World Heritage Day** on 18th April 2026 with great fervour and educational significance. The programme was thoughtfully designed to cultivate in students a deeper appreciation of India's rich cultural legacy and to instil a sense of responsibility towards preserving our shared heritage.

Observed globally as the **International Day for Monuments and Sites**, World Heritage Day 2026 was centred on the theme **"Emergency Response for Living Heritage in Contexts of Conflicts and Disasters."**

The theme underscored the urgent need to safeguard cultural landmarks, historical monuments, and living traditions from the challenges posed by natural calamities and conflicts.

The occasion witnessed enthusiastic participation from students through a range of engaging and meaningful activities. Young learners creatively illustrated national symbols using hand-outline art, while others showcased the vibrant diversity of India by representing different states in traditional attire and sharing insights into their unique customs and traditions. Students also displayed an array of traditional food items, crafted artistic representations of iconic historical monuments, and delivered eloquent speeches highlighting the significance of India's cultural and architectural heritage.

The celebrations served as a vibrant platform for experiential learning, enabling students to connect with the nation's rich traditions, values, and historical achievements. The event concluded on an inspiring note, leaving students with a heightened appreciation of India's cultural wealth and reinforcing the importance of preserving and celebrating our heritage for generations to come.
