

## DDMS P OBUL REDDY PUBLIC SCHOOL

### A VIRTUAL RENDEZVOUS WITH MS IBU CARMANITA

The British Council offers the International School Award (ISA) as an accreditation framework for schools to record and evaluate their international work and embed it into the curriculum and whole school ethos. As part of the ISA and Art Integration action plan for Classes XI-XII, the topic of study was **Ikat - the threads that blend and blur.**

The school planned a Virtual Interactive session with a fashion designer Ms Ibu Carmanita from Indonesia on the 10 December, 2020. She gave us a comparative study of Ikat in Indonesia and India.

With the support and motivation of the Management of DDMS P OBUL REDDY PUBLIC SCHOOL, the school initiated the process to instill a global dimension into the learning experience and registered for the British Council International School Award (ISA).

The students within the school were involved in the international framework, collaborative curriculum-based work and year-round international activities. The volume of work and the student-involvement was truly commendable.
