

## BLOCK COMMENTARY

**Class: LKG**

**Week No. :14**

**Dates: 30.07.2019 to 02.08.2019**

**BLOCK NO: 6**

**From the desk of LKG teachers:**

We are going to tell you about the Early Programme lesson on Land Transport.

In this lesson, the student will learn about the different land vehicles like car, bus, bicycle, train, scooter, and truck.

They will begin the week by listening to a story in which 'directions' to a place are given for a car to travel by road. They will also engage in pretend play roles to imitate a road scene and also learn about safety on the road. In Maths Time, student will learn about positional directions such as over-under, up-down, in-out and front-back through games and activities. They will draw pictures of objects to show position words, In Language Time, students will begin to recognise the form and sound of the letters 'Pp' and 'Nn' and then move on to writing these letters.

Rather than just learning about positional directions by rote learning and memorization, students will draw pictures using their imagination and then use position words learnt in class to describe their pictures.

Parents can help their child observe and identify the different vehicles that they see on the roads like car, bus truck, bicycle, scooter, and train to learn about how we travel on the land.

### KeyWords

Directions ,In-Out, Over-Under,Up-Down,Front-Back,Nightingale, Nuts,Needle.

Class	Name of the Teachers
LKG-A	Ms.Ch.Aruna & Ms.soujanya
LKG-B	Ms.B.Shailaja & Ms.N.Swathi
LKG-C	Ms.P.Padmavathi & Ms.Ch.Rukmini
Lkg-D	Ms.Geetha Laxmi &Ms.B.Radhika
LKG-E	Ms.K.Lakshmi Kumari & Ms.Praveena
