

BLOCK COMMENTARY

Class: LKG

Week No. :18,19

Dates: 26.08.2019 to 06.09.2019

BLOCK NO: 10

From the desk of LKG teachers:

We are going to tell you about the Early Programme lesson on Seasons-Summer.

In this lesson, the students will explore the summer season and find out about the clothes worn and the food items eaten during this season.

Students will begin by listening to stories, singing rhymes and observing picture cards to explore the summer season and learn about the clothes worn and the weather conditions during this season.

During Maths time, students will talk about their daily routine and sequence of events based on their daily routine. They will also relate it to the concept of time. They will learn to recognise, name, show the number 3 through activities, manipulatives and number rhymes.

During Language time, students will recognise and name the shape and sound of the letters 'Rr' and 'Mm' through stories, rhymes and actions and recap of letters ('Ss', 'Aa', 'Tt', 'Pp', 'Ii', 'Nn', 'Cc', 'Kk', 'Ee' & 'Hh')

Rather than just exploring all the seasons together, students explore the different seasons gradually. They will first explore the summer season using visuals, stories and rhymes in this block and then the other seasons later separately.

At home, your child can collect pictures about the summer season and encourage them to talk about the clothes worn or the activities that people do during this season.

Note: Final Round of Sloka Rendition is on 30.08.2019.
