

Block Commentary

LKG

Week no: 21

Date: 16-9-19 to 20-9-19

Block no: 11

From the desk of LKG Teachers:

We are going to tell you about the early programme lesson on **WINTER.**

In this lesson, the students will explore the winter season and find out about the clothes worn and the food eaten during this season

Students will learn about winter clothes, food eaten and weather through stories, rhymes and pictures.

During language time, students will recognize the shape and sound of the letter **“Dd” and “Gg”** through stories rhymes and actions.

During Math time, students will talk about the recurring patterns seen in nature like night following during summer following winter. Observe and identify patterns found in the environment on leaves, trees, stripes on clothes and they will learn to recognise name, show and write the **number 4** through activities, manipulatives, number rhymes and tracing in the sand.

Rather than just learning about patterns through observations students will try to recreate and repeat patterns using actions, pictures and things found in nature such as leaves and also draw patterns in their scrapbook.

At home you can ask child to collect pictures related to the winter season. Encourage them to talk about clothes worn or the food eaten by the people during this season.

**EVENTS: GRAND PARENTS DAY ON 21st SEPTEMBER 2019.
INVITATION WILL BE SENT.**

Name of the Teachers

LKG-A Ms.Ch.Aruna & Ms.Soujanya

LKG-B Ms.B.Shailaja & Ms.N.Swathi

LKG-C Ms.P.Padmavathi & Ms.Ch.Rukmini

Lkg-D Ms.Geetha Laxmi & Ms.B.Radhika

LKG-E Ms.K.Lakshmi Kumari & Ms.Praveena
