

LKG BLOCK COMMENTARY

WEEK NO: 35

Dates: 23-12-2019 to 27-12-2019

Block No: 22

Dear Parent,
From the Desk of the LKG teachers

We are going to tell you about the Early Programme lesson on "Caterpillars and Butterflies". In this lesson, students will observe, notice and talk about the stages in the life cycle of a butterfly.

Students will observe pictures and talk about the four main stages in the life cycle of a butterfly. They will listen to a story, sing and enact a song to understand the different stages in the growth of a butterfly. They will learn to recognize, recreate and repeat patterns in actions and sounds. Students will learn to identify, name, match, draw and write some familiar picture word cards. Students will practise to write Capital letters A-Z in sequence and they will also try to identify the words that end with the same sounds to make rhyming pairs.

During math time students will learn to write numbers 1-10 with Tens and Ones place values. They will also learn to recognize, name one less than a number up to 5 through songs and activities.

Rather than simply doing art and craft activities or rote learning, the concept introduced through a story and song. Students will also take part in active discussions on the growth or stages in the life cycle of a butterfly with peers.

At home you can help your child paste pictures to show the life cycle of a butterfly in the scrapbook.

EVENTS: Story Telling----23rd December 2019
Christmas Celebration ----24th December 2019

CLASS	NAME OF THE TEACHERS
LKG-A	Ms.Ch.Aruna & Ms. Soujanya
LKG-B	Ms. B.Swathi & Ms. N.Swathi
LKG-C	Ms.P.Padmavathi & Ms. Rukmini
LKG-D	MS.P.Geetha & Ms.B. Radhika
LKG-E	Ms. K.Lakshimi Kumari & Ms. Praveen Baby

Words I learn

Butterfly

Flower

Egg, leaf

Caterpillar

Pupa
