

LKG BLOCK COMMENTARY

WEEK NO: 36

Dates: 30-12-2019 to 3-01-2020

Block No: 23

Dear Parent,

From the Desk of the LKG teachers

We are going to tell you about the Early Programme lesson on Hot and cold. In this lesson, students will be able to recognize and identify conditions of temperature like “hot” and cold” and differentiate between them.

Students will listen to stories and songs to learn about hot and cold things. They will dip their hands in warm and cold water, look at pictures of hot and cold things such as food items and clothes and compare them, identifying differences in both. During language time students will learn to write ‘a-z’.

During math time students will recognize 1 less than in numbers up to 9 by using manipulatives . They will also learn to write numbers ‘11-20’.They will match some familiar words with their pictures. They will also identify and match the words that rhyme.

Rather than simply learning some rhyming words by rote, students learn these words in the context of the theme Hot and Cold that they are exploring and not as independent words.

At home, encourage your child to read some familiar words from books and try to identify the words that sound the same. Encourage him/her to identify words from books and try to identify the temperature of things in terms of “hot” and “cold”.

CLASS	NAME OF THE TEACHERS
LKG-A	Ms.Ch.Aruna & Ms. Soujanya
LKG-B	Ms. B.Swathi & Ms. N.Swathi
LKG-C	Ms.P.Padmavathi & Ms. Rukmini
LKG-D	MS.P.Geetha & Ms.B. Radhika
LKG-E	Ms. K.Lakshimi Kumari & Ms. Praveen Baby

Words I learn

hot
cold
cake
water
boil
tea
ice
snow
