

LKG BLOCK COMMENTARY

WEEK NO: 37

Block No: 24

Dates: 6-01-2020 to 10-01-2020

Dear Parent,

From the Desk of the LKG teachers

We are going to tell you about the Early Programme lesson on Homes. In this lesson, students will be able to recognize that we all need a home to live in.

Students will begin by exploring homes of animals through a story and song. They will sing a rhyme about what is a home and what it consists of. They will talk about and describe their homes to peers. Then, they will go on to recognizing the need for a home and how it protects us from weather conditions like heat, cold and rain. Students will copy familiar words and make fun rhyming words using the same. They will compare and sort things based on their length using words: long and short and the distance between places using the words: near and far. They will also learn to write numbers '1-20' and missing numbers '1-10'.

During language time children will learn to write missing letters 'A-Z'.
