

BLOCK COMMENTARY

Class: UKG

WEEK: 22

Block: 13

Dates: 23.9.19 to 27.9.19

From the Desk of UKG Teachers

We are going to tell you about the Early Programme lesson on **Ways to Travel**.

This Week, students will learn about different ways to travel, how these are same and different. They will also explore how different people make travelling easier.

They will first go on a bus ride, then share their experiences of a journey by train and air. Students will see things that sink and those that float; they will explore how a key that otherwise sinks can float in a plastic bowl. This will help them to know how travel through water is possible.

During Language time, students will break apart words into sounds, and put together sounds of letters to make the word. They will also make rhyming pairs. Children learn and write U- Sound words.

During Math Time, students will show numbers 11 to 15 by making bundles of 10 and counting extras.

Children will learn and write number names.

Rather than just spelling number names by rote ;they will compare the length of the number names to see which is longer than the other :and then identify patterns in spellings to assist reading.

At home, your child can sort pictures of three letter words into word families such as **'ut', 'up', 'ug', 'un'** and **'ub'**.

It would be great if your child can take rhyming pairs of words and use them to make rhyming sentences.

Events: Show and Tell Competition & Bathukamma celebrations on 26th September 2019

Classes	Name of the Teachers
UKG-A	Ms. Shamina Ramesh & Ms . Radhika
UKG-B	Ms. Aarthi & Ms.Srilakshmi.
UKG- C	Ms. Aruna & Ms. Saritha.
UKG-D	Ms. Prasanna Jhansi& Ms. Pratyusha.
UKG-E	Ms. Anupama & Ms. Suhasini
