CLASS - LKG 2022 - 2023

Dear Parents,

DATES: 20.06.22 to 01.07.22

Welcome to Kindergarten! There is an exciting year awaiting. Designed to promote and enhance your child's growth and development. This very important year promises to be one filled with discovery and joy as your child works and plays in an environment that is warm, safe and challenging.

The structure of daily activities is carefully planned to encourage independence, self confidence and group cooperation through large group, small group and one-on-one participation in a variety of hands-on, interactive experiences. The activities will incorporate instruction and skill reinforcement in reading readiness, fine and gross motor skills, social/emotional skills and language development.

You will notice the focus of the curriculum centered on theme units. This is the core of our integrated learning and these units of study will be used to extend across, and connect all of our content areas. In doing so, your child will see the continuity of his or her learning and the application of skills will become more concrete. Learning will be real and learning will make sense!

From the desk of LKG teachers,

During adjustment period: Children will learn to interact with each other, know about teachers, aayah, explore new environment through activities, fun filled indoor/ outdoor games, rhymes and stories. Children will learn to identify their belongings, share their names, Parent's names, and respond to teachers and people around them.

Wishing them all to come up with blooming smiles every day.
