

LEARNING LOG

CLASS - UKG

Date: 5th - 25th April 2023

Dear Parent,

A warm welcome to all of you for the new Academic session 2023 -2024. It is a pleasure to have your child in our school. We focus on making education more experiential, inquiry-driven, discovery-oriented, learner-centric, discussion based, flexible and above all, envisaging incorporating the NEP 2020 Norms. To start off the year right, we are sending you this Learning Log that has been prepared to help you understand our requirements and other important information that will enable us to make this a very positive and rewarding year. You will receive additional communication on a monthly basis through our Learning Logs which would be uploaded in our School website. We look forward to building a relationship with you and your child and thus providing the best education that we are capable of giving. **Together we can make a difference!**

This month would be a transition period for the students. They will explore who they are and what is important as well as special about him/her. Students will recapitulate the Letters, Numbers and Pre number concepts through various indoor activities and outdoor games.

Note: During vacation please check the school website for Open Book Assignment. Help your child to do the assignment and submit the same ON 14TH JUNE 2023.

**SUMMER VACATION BEGINS FROM 26TH April 2023
SCHOOL REOPENS ON 14TH JUNE 2023**
